Justinian

**BE ABLE TO:**

1. What role did Christianity play in reshaping European society in east and west?
2. How did the Catholic Church serve a unifying factor in the west?
3. How did the Roman heritage differently affect east and west?
4. How and why did Western Europe develop feudalism and how did this illustrate the political and social state of the region?
5. How did Mediterranean trade and the Crusades help revive Western Europe?
