Confucian or Daoist Thought? You Decide.

In the space provided below each hypothetical dilemma, summarize how you think a Confucian and a Daoist might respond to the situation.

1. Your friend smokes and tries to get you to start.

Confucian: _____

Daoist: _____

2. You know that you are failing this class.

Confucian: _____

Daoist: _____

3. You have just found \$20 in the hall that doesn't belong to you.

Confucian: _____

Daoist: _____

4. One of your parents has just spent a large amount of money on a new suit. You ruin it by getting ink all over it on accident.

Confucian: _____

Daoist: _____

5. There is a new student in school. You like him or her, but all the other students are making fun of the clothes he or she wears.

Confucian: _____

Daoist: _____

6. You know that an older brother or sister is cheating on tests.

Confucian: _____

Daoist: _____

7. You see the opportunity to take something that you really want without being caught.

Confucian: _____

Daoist: _____
